

OK Camper Eligibility

Children are eligible to be campers if they are between six (6*) and 13 years of age (children entering second grade thru eighth grade), live in Oxford, are a grandchild of an Oxford resident(s), or are a child of a parent(s) employed in Oxford.

An OK camper must be a capable bicycle rider and able to understand and obey safe bicycling rules. The camp gets around by bicycle and uses the whole town of Oxford as its campus. Good bicycling skills are basic to a safe and fun camp experience.

* Youngest campers must have completed first grade. Parents are urged not to register young children for a camp experience they may not be ready to handle.
