

OK Camper Eligibility

Children are eligible to be campers if they are between six (6*) and 13 years of age (children entering second grade to eighth grade), live in Oxford, are a grandchild of an Oxford resident(s), or a child of a parent(s) employed in Oxford.

An OK camper must be a capable bicycle rider and able to understand and obey safe bicycling rules. The whole town of Oxford is our campus and we get around by bicycle. Good bicycling skills are basic to a safe and fun camp experience.

* Youngest campers must have completed first grade. Parents are urged only to register young children for a camp experience they are ready to handle.
